

QUALITY POLICY

In the full satisfaction and trust of our customers and users are our differentiation, rationale and future as an organization. They are what make possible ALMESA ALME, S.A. We will at all times meet your requirements by providing quality products and design, with economic efficiency and the highest level of service possible.

It is for this reason that the management of the company, conscious of satisfying the requirements and expectations of its customers, users and other interested parties and supporting the strategic vision of the company, has decided to implement a Quality Management system based on the ISO 9001: 2015 standard committing to comply with its requirements in order to provide a reference framework and establish and review the Quality objectives.

The success of ALMESA ALME and its brands ALTIPESA and KTL LADDERS is based on continuous improvement, supporting it in the permanent adoption of an honest and transparent attitude, maintaining a humble, positive and constructive attitude in any situation. It is also based on the improvement, enhancing day by day the relationship with our customers, suppliers, partners and colleagues, making teamwork the mechanism to improve the quality of our products and make them more competitive.

The commitment of the entire organization with the applicable legal and regulatory requirements, the training of personnel, order, discipline and continuous improvement, should be pillars that allow us to achieve our objectives. In the same way, we are committed to a clear policy on the prevention of occupational risks, through the commitment to achieve a high level of safety at work for all, without detriment to health as a result of it, conceiving prevention as fundamental and inherent in all work modalities. Our adherence to the Integrated Management System (GIS) managed by ECOEMBES and the compliance with the sustainable consumption of wood, paper and other forest derivatives promoted by the FSC guarantee our company's concern for the environment.

Being the management of the Quality responsibility of all the members of ALMESA ALME, S.A. and KTL LADDERS, S.L.U., the management undertakes and ensures that this Quality Policy has been communicated, understood and applied by the staff, and is available to the relevant interested parties.
